The bonds will be issued in a principal amount not to exceed \$40,000,000 for the purpose of making a loan to HMC to (a) refund the Authority's previously-issued Variable Rate Demand Revenue Bonds (Hays Medical Center, Inc.), Series 2000N, the proceeds of which were used to finance or reimburse HMC for the costs of acquiring, constructing and installing certain health care facilities; (b) finance the construction of certain health care facilities of HMC, including without limitation construction of an addition to the Michael E. DeBakey Heart Institute of Kansas at HMC and an expansion of inpatient rehabilitation services; (c) fund a debt service reserve for the bonds; and (d) pay certain costs related to the issuance of the bonds, under authority of K.S.A. 74-8901 et seq. (d) A complainant may file an amended complaint on its own initiative upon leave granted by the commission.

The applicant shall include in its application the fact that the document has been previously filed, and the date and the proceeding in which, or occasion on which, the filing was made. The application may request that the previously filed document be incorporated by reference.

(3) Court records may be offered into evidence by reference, but shall not be received over the objection of any party unless opportunity for examination has been afforded to the objecting party.

(b) Unless otherwise directed by the commission or hearing examiner, an original and seven copies of any exhibit a party intends to offer into evidence, other than in rebuttal, shall be filed with the commission at least 10 days before the date of the hearing, and one copy of any such exhibit shall be furnished to every other party to the proceeding at least 10 days before the date of hearing. Any exhibit that is not filed within the required time limit may be refused by the commission.

(c) The presiding commissioner or hearing examiner shall assign numbers to the exhibits at the time they are marked for identification at the hearing.

(d) If relevant and material matter offered as documentary evidence by any party is embraced in a book, paper, or document containing other matter not material or relevant, the party offering the documentary evidence shall plainly designate the matter offered. If other matter is in a volume that would encumber the record, the book, paper, or document shall not be received in evidence. In this case, the voluminous matter may be marked for identification, and, if properly authenticated, the relevant or material matter may be read into the record. Alternately, a true copy of the matter, in proper form, may be received as an exhibit if the presiding commissioner or examiner so directs.

(e) The party offering the exhibit shall deliver copies of the exhibit to opposing parties or their attorneys. The opposing parties or their attorneys shall be afforded an opportunity to examine the book, paper, or document, and to offer into evidence in like manner other material and relevant portions of the exhibit. (a) In any matter pending before the commission and not governed by the KAPA, the attorneys for the parties to appear before the commission for a prehearing conference may be directed by the commission at its discretion or on the request of any party to consider any of the following:

- (2) the trial of issues of law, the determination of which may eliminate or affect the trial of issues of fact;
- (3) the necessity or desirability of amendments to the pleadings;
- (4) the possibility of obtaining admissions of fact and of documents that will avoid unnecessary proof;
- (5) the limitation of the number of expert witnesses;
- (6) the advisability of a preliminary reference of issues of fact to an examiner or an investigator appointed by the commission; or
- (7) any other matters that may aid in the disposition of the proceeding.

(b) Preliminary reference. If in the course of a prehearing conference any issues are referred to a presiding of-

ficer or an investigator appointed by the commission, the findings of fact of the presiding officer or investigator shall be reduced to writing, filed as an exhibit, and admitted into evidence at the hearing.

(c) Prehearing order. A prehearing order shall be made to reflect the action taken at the prehearing conference, any amendments allowed to the pleadings, and any agreements by the parties relating to any of the matters considered at the prehearing conference. Any agreements by the parties or their attorneys that limit the issues for trial to those not disposed of by admissions or agreements of counsel shall be in writing and shall be filed. The preliminary order, when entered, shall control the subsequent course of the proceeding, unless modified by the commission to prevent manifest injustice. A calendar on which proceedings may be placed for consideration at prehearing conferences may be published by the commission at its discretion, or the attorneys for the parties may be summoned, or the parties themselves, or both, to a prehearing conference upon notice as may be deemed reasonable by the commission. (Authorized by and implementing K.S.A. 2001 Supp. 55-604, K.S.A. 55-704, K.S.A. 2001 Supp. 66-106; effective Jan. 1, 1977; amended July 23, 1990; amended Oct. 10, 2003.)

82-1-224. Joinder of proceedings and parties. (a) For good cause shown, the joinder of any proceeding with another proceeding may be permitted by the commission. However, issues that are not germane to each other and that require separate and distinct proof shall not be joined in the same proceeding.

(b) Two or more dockets may be consolidated by the commission for hearing on a common record if the commission deems it to be in the public interest to do so.

(c) The broadening of issues may be permitted by the commission in any proceeding before the commission.

(d) Two or more grounds of complaint involving the same purposes, subjects, or statement of facts may be included in one complaint, but shall be separately stated and numbered.

(e) Two or more complainants may join in one complaint if their respective causes of complaint are against the same defendant or defendants and involve substantially the same purposes, subjects or subject matter and a similar statement of facts. (Authorized by K.S.A. 2001 Supp. 55-604, 55-704, K.S.A. 2001 Supp. 66-106; effective Jan. 1, 1966; amended Feb. 15, 1977; amended Oct. 10, 2003.)

(2) The petition states facts demonstrating that the petitioner's legal rights, duties, privileges, immunities, or other legal interests may be substantially affected by the proceeding or that the petitioner qualifies as an intervenor under any provision of law.

(3) The presiding officer determines that the interests of justice and the orderly and prompt conduct of the proceedings will not be impaired by allowing the intervention.

(b) The presiding officer may grant a petition for intervention at any time upon determining that the intervention sought is in the interests of justice and will not impair the orderly and prompt conduct of the proceedings.

(c) If a petitioner qualifies for intervention, the presiding officer may impose conditions upon the intervenor's participation in the proceedings, either at the time that intervention is granted or at any subsequent time. The conditions may include the following:

(1) Limiting the intervenor's participation to designated issues in which the intervenor has a particular interest demonstrated by the petition;

(2) limiting the intervenor's use of discovery, cross-examination, and other procedures so as to promote the orderly and prompt conduct of the proceedings; and

(3) requiring two or more intervenors to combine their presentations of evidence and argument, cross-examination, discovery, and other participation in the proceedings.

(d) The presiding officer, at least 24 hours before the hearing, shall issue an order granting or denying each pending petition for intervention, specifying any conditions, and briefly stating the reasons for the order. The presiding officer may modify the order at any time, stating the reasons for the modification. The presiding officer shall promptly give notice of an order granting, denying, or modifying intervention to the petitioner for intervention and to all parties. (Authorized by and implementing K.S.A. 2001 Supp. 55-604, K.S.A. 55-704, K.S.A. 2001 Supp. 66-106; effective Jan. 1, 1966; amended Feb. 15, 1977; amended July 23, 1990; amended Oct. 10, 2003.)

82-1-226. Continuances and adjournment. For good cause at any time, with or without motion, any hearing may be continued or adjourned by the commission. A hearing before either the commission or a hearing examiner shall commence at the time and place fixed in the notice, but may be adjourned from time to time or from place to place by the presiding commissioner or the hearing examiner without further notice. Continuances and adjournments may be requested orally, and an oral request may be granted or denied at the discretion of the hearing examiner or the commission. (Authorized by K.S.A. 2001 Supp. 55-604, K.S.A. 55-704, K.S.A. 2001 Supp. 66-106; effective Jan. 1, 1966; amended Feb. 15, 1977; amended Oct. 10, 2003.)

82-1-227. Subpoenas. (a) Subpoenas may be issued by the commission or by any commissioner, or by the presiding officer, upon written petition by any party to the proceeding. Every subpoena shall contain the caption of the docket and shall command each person to whom it is directed to attend and give testimony at the time and place specified.

(b) A subpoena duces tecum shall be issued in the same manner and form as a subpoena for the attendance of a witness, and may command the person to whom it is directed to produce the books, papers, documents, or tangible items designated in the subpoena. Upon a prompt

motion, and in any event at or before the time specified in the subpoena duces tecum for compliance, any of the following actions may be taken by the commission:

(1) Quash or modify the subpoena if it is unreasonable and oppressive; or

(2) condition denial of the motion upon the advancement by the party on whose behalf the subpoena is issued of the reasonable cost of producing the books, papers, documents, or tangible items.

(c) Service of a subpoena or subpoena duces tecum shall be made by delivering a copy of the subpoena or subpoena duces tecum to the person and by tendering to the person the fees for one day's attendance and the mileage allowed by law. A subpoena or subpoena duces tecum may be served by means of any of the following:

(1) Restricted mail;

(2) the sheriff;

(3) the sheriff's deputy; or

(4) any other person who is designated by the commission or the party requesting issuance thereof, who is not a party to the proceeding, and who is not less than 18 years of age.

(d) If the subpoena or subpoena duces tecum is not served by the sheriff or the sheriff's deputy, proof of service shall be shown by affidavit or by return receipt of restricted mail.

(e) Each person who is ordered by commission subpoena to appear as a witness before the commission, or any person authorized by the commission to preside at a hearing, in answer to a subpoena or subpoena duces tecum shall receive fees and mileage as provided by law.

(f) The party petitioning for the subpoena or subpoena duces tecum shall forward to the commission, along with the written petition, fees made payable to the person being subpoenaed in an amount equal to the statutory fee for one day's attendance, plus mileage computed at the rate allowed by law for travel over the most direct route from the party's place of residence to the designated place for hearing and back. The subpoena or subpoena duces tecum and fees may then be issued by the commission as requested in the petition. The petitioning party shall be directly responsible for the payment of any and all costs incurred by the sheriff, the sheriff's deputy, or any other person in serving the subpoena or subpoena duces tecum. (Authorized by and implementing K.S.A. 66-106; effective Jan. 1, 1966; amended Feb. 15, 1977; amended July 23, 1990; amended Oct. 10, 2003.)

All hearings before the commission shall be conducted by the commission or by a presiding officer, who may be a commissioner, a hearing examiner, or any other person duly authorized by the commission to conduct the hearing. The provisions of these regulations governing hearings before the commission shall be applicable to hearings conducted by the presiding officer.

(b) Convening of hearings. On the date and at the place and time stated in the notice of the hearing, the presiding

(d) Appearances. Each attorney for a party, and any other representative authorized by the commission according to paragraph (3) of this subsection, shall enter an appearance by giving the attorney's or representative's name and address for the record.

(1) Except as otherwise specified in paragraph (2) of this subsection, any party may perform any of the following:

(A) Appear before the commission and be heard in person and on that party's own behalf;

(B) appear before the commission and be represented by an attorney who is regularly admitted to practice in the courts of record of the state of Kansas; or

(C) appear before the commission and be represented by any regularly admitted practicing attorney in the courts of record of another state of the United States, if the nonresident attorney complies with the requirements set forth in K.S.A. 7-104, and amendments thereto. The local counsel shall first enter the local counsel's own appearance and shall then orally move for the admission of the nonresident attorney with whom local counsel is associated. The oath required by K.S.A. 7-104, and amendments thereto, shall be administered to any nonresident attorneys by the presiding officer. An oral order admitting them as attorneys or representatives in the proceeding then pending shall be made by the presiding officer, and they shall enter their appearances on the record.

(2) Except as otherwise specified in paragraph (3) of this subsection, a corporation shall not be permitted to enter an appearance, except by its attorney.

(3) In any intrastate railroad proceeding that comes before the commission, a resident of the state of Kansas who is not an attorney-at-law may represent a party before the commission if both of these conditions are met:

(B) The person has obtained the approval of the commission to appear as a representative upon a motion. The motion shall include the individual's qualifications, the name of the party, and the proceeding in which the individual wishes to appear.

(e) Preliminary matters. Preliminary matters shall be disposed of in the following order:

(1) Petitions for intervention;

(2) any other pending petitions or motions;

(3) stipulations of the parties by which parties may make written or oral stipulations in conformance with these regulations. These stipulations shall be regarded as evidence at the hearing and shall not be binding upon the commission; and

(4) opening statements of attorneys or other representatives for the parties, if requested by the commission. Opening statements, if any, shall be made immediately before the introduction of testimony.

(f) Hearing room conduct.

(1) The conduct of attorneys and other representatives during a hearing shall be the same as the conduct required of attorneys in the district courts of Kansas. Attorneys and other representatives shall examine witnesses from a position at the counsel table, except when handling exhibits. Anyone whose conduct before the commission is deemed inappropriate may be refused permission to appear by the commission.

(2) Smoking shall not be permitted on commission premises.

(3) The use of photographic equipment or recording devices shall not be prohibited during hearings, except that the presiding officer may regulate the use of this equipment or these devices to insure the orderly conduct of the proceedings. (Authorized by and implementing K.S.A. 2001 Supp. 55-604, K.S.A. 55-704, K.S.A. 66-103, K.S.A. 2001 Supp. 66-106, K.S.A. 66-165; effective Jan. 1, 1966; amended Feb. 15, 1977; amended, T-83-12, June 9, 1982; amended May 1, 1983; amended July 23, 1990; amended March 22, 1993; amended March 12, 1999; amended Oct. 10, 2003.)

82-1-229. Use of prefiled testimony. (a) In lieu of oral examination, the examination of witnesses may be presented or, if required by the commission or by these regulations, shall be presented in written question-and-answer form. Presentation of prefiled testimony may be required by the commission in accordance with this regulation if it is deemed that doing so would be in the public interest and would be conducive to a fair and expeditious disposition of the proceeding. Any party may object to the use of prefiled testimony by a witness, and the objecting party shall have a right to be heard by the commission or the presiding officer at the hearing on the objection.

(b) All prefiled testimony shall be in typewritten form, double-spaced, on paper that is 8½ inches wide and 11 inches long. The lines on each page shall be numbered consecutively down the left side of the page. The left-hand margin of each page shall be not less than 1¼ inches wide, and the remaining margins shall be not less than one inch wide.

(c) Prefiled testimony shall be filed 10 days before the hearing unless otherwise specified. For conservation division matters, an original and four copies of any prefiled testimony that an applicant intends to offer into evidence, other than rebuttal, shall be filed with the conservation division at least 20 days before the hearing. An original and four copies of any prefiled testimony that an intervenor or protestant intends to offer into evidence, other than rebuttal, shall be filed with the conservation division at least 10 days before the hearing.

(d) At the hearing, after any prefiled testimony has been properly identified and authenticated under oath by the witness, upon motion, the prefiled testimony may be incorporated into the record in the same way as if the questions had been asked of the witness and the answers

had been given by the witness orally. The prefiled testimony shall be subject to the same rules of evidence as if given orally, and the witness presenting the prefiled testimony shall be subject to cross-examination. (Authorized by and implementing K.S.A. 2001 Supp. 55-604, K.S.A. 55-704, K.S.A. 2001 Supp. 66-106; effective Jan. 1, 1966; amended Feb. 15, 1977; amended, E-82-1, Jan. 21, 1981; amended May 1, 1981; amended July 23, 1990; amended Oct. 10, 2003.)

82-1-230. Hearings; evidence and procedure. (a) Rules of evidence. The rules of evidence as stated in article four of the Kansas code of civil procedure shall be applied by the commission at all of its hearings. However, the presiding officer may relax the rules of evidence if the presiding officer believes that it is in the public interest to do so and will aid in ascertaining the facts. If an objection is made to the admissibility of evidence, the presiding officer may rule upon the objection or may receive the evidence subject to a subsequent ruling on the objection by the commission. The presiding officer may exclude inadmissible evidence on the presiding officer's own motion and may order cumulative evidence discontinued. All parties may note their exceptions on the record to any ruling or other action of the presiding officer.

(b) Order of procedure at hearings. The presiding officer shall determine the order of procedure at hearing.

(1) Unless otherwise ordered by the presiding officer, the following shall apply:

(A) The applicants shall open and close at hearings on applications.

(B) The complainant shall open and close at hearings on formal complaints.

(C) The staff counsel shall open and close at hearings on investigations initiated by the commission.

(2) In a hearing in which several proceedings have been consolidated for hearing on a common record, the presiding officer shall designate the party who may open and close.

(3) The presiding officer shall designate when each intervenor may be heard.

(4) In all hearings, the presiding officer may direct departures from the suggested order of procedure.

(c) Examination and cross-examination of witnesses.

(1) Subject to the provisions of K.A.R. 82-1-229, concerning the use of prefiled testimony, each witness shall be examined and cross-examined orally and under oath in the order determined by the presiding officer. The direct examination of each witness shall be followed by cross-examination of the witness. Redirect examination, if any, shall be limited in scope to the testimony upon cross-examination. Recross examination, if any, shall be limited in scope to the testimony upon redirect examination.

(2) No more than one attorney for each party shall examine or cross-examine a witness. The presiding officer may require that only one attorney be allowed to cross-examine a witness on behalf of all parties united in interest. To facilitate the orderly and expedient conduct of hearings, the presiding officer may appoint a member of the commission's legal staff to assist any party not represented by counsel in cross-examining witnesses and in presenting evidence.

(d) Going off the record. All testimony shall be taken on the record unless permission to go off the record is first granted, upon request, by the presiding officer.

(e) Excluded evidence. If an objection to a question propounded to a witness is sustained by the presiding officer, the examining attorney may make a proffer of the excluded evidence. The presiding officer may add other statements to clearly show the character of the evidence, the form in which it was offered, the objection made, and the ruling made. Upon request, the excluded testimony or evidence shall be marked and preserved for the record upon appeal.

(f) Further evidence. At any stage of the hearing, or after the close of the testimony, the presiding officer may call for further evidence upon any issue and may require such evidence to be presented by the party or parties concerned or by the staff counsel, either at the hearing or at a further hearing.

(g) "Late-filed" exhibits. The presiding officer may authorize any party to the proceeding to file, within a designated time period, specific documentary evidence as part of the record. Exhibit numbers may be assigned in advance at the hearing to these items of documentary evidence.

(h) Administrative notice. In addition to matters that are required or permitted to be judicially noticed by K.S.A. 60-409 and amendments thereto, the presiding officer may take administrative notice of commission files and records in deciding matters pending before it.

(i) Briefs. Submission of briefs by the parties may be authorized or required by the presiding officer or the commission. The period of time in which briefs and reply briefs shall be filed may be fixed by order setting the procedural schedule or at the close of the hearing by the presiding officer. Any brief required by an order setting the procedural schedule may be waived by the presiding officer at the close of the hearing or by further commission order. Briefs shall be served in the same manner and upon the same persons as required for other pleadings.

(j) Closing the record. A hearing shall be concluded and the matter shall be submitted to the commission when all parties have submitted any requested briefs and all parties have completed oral arguments. If the parties submit no briefs and make no oral arguments, the presiding officer shall announce that the record of exhibits and testimony is closed and that the matter is taken under advisement. The matter shall then be submitted to the commission.

(k) Reopening the record. After the record of testimony has been closed by the presiding officer, any party may apply to reopen the record for good cause shown. However, no record shall be reopened for further hearing except upon order of the commission. Any record of any hearing may be reopened by the commission on its own motion. (Authorized by and implementing K.S.A. 66-106; effective Jan. 1, 1966; amended Feb. 15, 1977; amended May 1, 1985; amended July 23, 1990; amended Oct. 10, 2003.)

82-1-230a. Settlement agreements. (a) As used in this regulation, the following definitions shall apply:

(continued)

(1) "Settlement agreement" means an agreement between parties to a proceeding submitted to the commission to dispose of all or any part of the issues pending for decision.

(2) "Unanimous settlement agreement" means an agreement that is entered into by all parties to the proceeding or an agreement that is not opposed by any party that did not enter into the agreement.

(3) "Nonunanimous settlement agreement" means an agreement that is entered into by fewer than all parties to the proceeding and is opposed by one or more parties.

(b) Unanimous settlement agreements and nonunanimous settlement agreements shall be filed as pleadings and may be approved, rejected, or modified by the commission. A settlement agreement may contain or refer to explanatory material or information in support of the justness and reasonableness of the settlement agreement. A hearing may be conducted by the commission for the purpose of receiving evidence or argument concerning the settlement agreement.

(c) Each party objecting to the settlement agreement shall file a written objection within 10 days after the filing of the settlement agreement or within a shorter time period as directed by the commission. Failure to object in a timely manner shall constitute a waiver of that party's right to object to the settlement agreement. (Authorized by and implementing K.S.A. 2001 Supp. 55-604, K.S.A. 55-704, K.S.A. 2001 Supp. 66-106, K.S.A. 2001 Supp. 74-616; effective Oct. 10, 2003.)

82-1-231. Filing requirements for rate proceedings. (a) Each electric, gas, telecommunications, or water utility whose rates are under review by the commission at the request of the utility shall comply with this regulation and shall be prepared to establish, by appropriate schedules and competent testimony, all relevant facts and data pertaining to its business and operations that will assist the commission in arriving at a determination of rates that are fair, just, and reasonable both to the utility and the public. However, a telecommunications utility subject to price cap regulation pursuant to K.S.A. 66-2005(b), and amendments thereto, shall not be required to file the information described in this regulation with applications requesting a change in rates pursuant to K.S.A. 66-2005(g), (i), (j), (n), (o), (p), (r), and (s), and amendments thereto. Electric, gas, telecommunications, or water utilities whose rates are under review as a result of an investigation, complaint, or any other procedure may be required by the commission, on its own motion or by party request, to submit the same information described in subsection (c) of this regulation.

(b) Procedures for different classes of utilities.

(1) For filing purposes, each utility shall be classified according to K.A.R. 82-1-204a.

(2) Each class A electric, gas, water, and telecommunications utility that files a major rate application, on its own initiative or as directed by the commission, shall prepare and submit its application and schedules in conformity with subsection (c) of this regulation. Any rural electric cooperative distribution system providing service to fewer than 15,000 customers may elect to follow the procedures outlined in K.A.R. 82-1-231a. Electric, gas, wa-

ter, and telecommunications utilities, other than class A, may elect to follow the procedures outlined in K.A.R. 82-1-231b.

(3) Any utility that proposes a change in rates within 12 months after a commission order following a general rate proceeding and investigation may submit schedules eliminating data that duplicates information provided in the original schedules if both of the following conditions are met:

(A) The utility is willing to adopt all the regulatory procedures, principles, and rate of return established by the commission in that order.

(B) The utility receives prior approval from the commission.

(4) An application by a class A utility shall be construed to be a major rate application if any of the following conditions is met:

(A) The application relates to a general increase in revenues for the purpose of obtaining an alleged fair rate of return.

(B) Material changes in operations, facilities, or cost of service occur subsequent to the test year employed in any major rate decision, except for proposals that are for the sole purpose of compensating for the increased production or purchase cost of a principal product.

(C) The application will, in the opinion of the commission, materially affect the public interest if it is granted.

(c) Class A utility rate proceedings: application and evidence. (1) Each major rate application by a class A utility shall be accompanied by schedules that will indicate to the commission the nature and extent of the relief requested.

(2) Each application shall be based upon data submitted for a test year. The test year selected by the applicant may be disapproved by the commission for cause.

(3) The original, nine photocopies, and one electronic copy of the application and supporting schedules shall be filed with the commission. The supporting schedules shall be organized by topical sections with page numbers for each schedule. Negative numbers shall be shown in parentheses. Amounts included in the application shall be cross-referenced between the appropriate summary schedule and supporting schedules as well as between the various sections. Referencing shall include allocation ratios. All items shall be self-explanatory, or additional information, cross-references or explanatory footnotes shall be presented on the schedule.

(A) Original and photocopies. The original and each photocopy of the application and schedule shall be bound together under one loose-leaf binder. If the bulk of the material would make such handling impractical, two or more volumes in loose-leaf form shall be filed. The size of print used in the application and schedules shall not be smaller than elite type reduced 25 percent. The application shall be assembled with index tabs for each section.

(B) Electronic copy. The electronic application and schedules shall be submitted in a format and type of disk that the applicant and staff have agreed upon. All formulas shall be imbedded in the schedule, and all schedules shall be linked where appropriate. Reports required by paragraphs (c)(4)(A), (B), (M) and (P) shall be exempted from the electronic filing requirement. A waiver

may be granted from all or any part of the electronic filing requirement.

(4) The form, order, and titles of each section shall conform to the following requirements:

(A) Section 1: Application, letter of transmittal, and authorization. This section shall contain a copy of the application, a copy of the letter of transmittal, and the appropriate document or documents authorizing the filing of the application, if any.

(B) Section 2: General information and publicity. This section shall describe the means generally employed by the utility to acquaint the general public that would be affected by the proposed rate change with the nature and extent of the proposal. This section may include statements concerning newspaper articles and advertisements, meetings with public officials, civic organizations, and citizen groups, and shall include general information concerning the application that will be of interest to the public and suitable for publication. This information shall include the following, if applicable:

(i) The aggregate annual revenue increase that the application proposes;

(ii) the names of communities affected;

(iii) the number and classification of customers to be affected;

(iv) the average, per customer increase sought in dollars and cents;

(v) a summary of the reasons for filing the application;

The schedules shall be presented as follows:

(i) The first schedule shall summarize, for each utility service for which the rate change is sought, the total Kansas and commission jurisdictional components of the rate base, operating revenues, expenses, net income, and rate of return.

(ii) Supporting schedules shall show the unadjusted commission jurisdictional figures and shall further set out each adjustment to arrive at the total adjustments. When added to the unadjusted total, the adjusted commission jurisdictional figures shall correspond with the commission jurisdictional figures presented on the first schedule of this section.

(iii) Additional schedules not applicable to other sections of the application may be set out in this section.

(D) Section 4: Plant investments. This section shall contain the items of plant investment, presented in the following manner:

years preceding the test year, for the test year, and for the 12-month period preceding the test year. Additional schedules setting forth pertinent information related to the plant may be submitted under this section. "Primary account," as utilized in this regulation, shall mean the account classification provided in the uniform system of accounts prescribed by the commission for the utility.

(E) Section 5: Accumulated provision for depreciation, amortization, and depletion. This section shall contain schedules that shall show by functional classification, using dates corresponding with the dates of plant investment data submitted under section 4, the balances of the reserve accounts in which the credits representing provisions for depreciation, amortization, depletion, any adjustments thereto, and jurisdictional allocations are accumulated. Upon commission request, or if considered relevant by the utility, schedules may be submitted showing analysis of the activities of the reserve accounts relating to the plant in service, segregated by primary accounts, or other segregation as is required by the uniform system of accounts prescribed by the commission for that utility.

(F) Section 6: Working capital. This section shall set forth in detail each component of the working capital items the applicant proposes to submit as elements in the composition of the rate base. This section shall be presented as follows:

This schedule shall contain the ratios of each component to the total capital including the percentage cost and the requested overall rate of return. If only a portion of the capital serves the utility operations involved in the proceeding, as would be the case in a multiutility or multi-state operation, the schedule shall show an appropriate allocation of the capital items;

(ii) a schedule disclosing the cost of each issue of debt and preferred stock outstanding, with due allowance for premiums, discounts, and issuance expense. Data relating to the other components of capital as may be appropriate shall also be included;

(iii) a schedule displaying historical interest coverage for at least the three calendar years preceding the test year, the test year, and the 12-month period preceding the test year. (continued)

(H) Section 8: Financial and operating data. This section shall contain the following, for each of the three calendar years immediately preceding the test year, the test year, and the 12-month period preceding the test year:

(Q) Section 17: This section shall be applicable only to applications and schedules filed by or pertaining to the operations of gas or electric utilities. This section shall contain a summary schedule that provides, by general customer classification, the test year revenues utilizing the existing and proposed tariffs. The test year revenues under existing tariffs shall be adjusted if pro forma normalization or annualization adjustments are appropriate. Also, this section shall include a schedule detailing the following data for the test year, by tariff schedule:

- (i) The tariff number;
- (ii) a narrative description of that tariff number;
- (iii) the average number of customers served during the test year;
- (iv) the units sold;
- (v) the base revenue;
- (vi) the revenue from riders, fuel, or purchased power clauses;
- (vii) the total revenue, utilizing the existing tariff. The total revenue shall be shown as adjusted, if appropriate;
- (viii) revenue per unit sold;
- (ix) the proposed tariff revenue;
- (x) the proposed revenue per unit;

- (xi) the dollar increase; and
- (xii) the percentage increase.

(R) Section 18: This section shall contain the proposed rate change schedules. All new language or figures shall be designated by underlining or in another appropriate manner. All deleted language or figures shall be designated in a different manner, such as italics. Upon request, and within the time limits determined by the commission, filing of the proposed rate schedule, or other materials required to be filed under this regulation, separate from the filing of the application and schedules may be permitted by the commission.

(d) Revisions of applications and schedules. If the applicant desires to make revisions to its application and schedules, other than minor corrections and insertions that require only interlineation and do not unduly prolong the hearing with respect to the application or schedules, the applicant shall file with the commission those revised schedules that are necessary to reflect the desired revisions, as follows:

(1) Each page of any such revised section or schedule shall bear the same section letter designation, schedule number, and page number as the original page with the word "Revised" and the date of the revision immediately below the original section, schedule, or page designation.

(2) The same number of copies of any revised sections, schedules, or pages shall be filed as the number of copies originally required to be filed.

(3) A copy of each revised section, schedule, or page shall also be served upon each party whose intervention has previously been permitted by the commission pursuant to K.S.A. 77-521, and amendments thereto, and K.A.R. 82-1-225.

(4) All revised sections, schedules, and pages shall be filed in accordance with the provisions of K.A.R. 82-1-221, unless otherwise ordered by the commission for good cause shown.

(5) Substantial revisions of the schedules, including changing to a different test year, may constitute grounds for a continuance of a scheduled hearing to a later date to be granted by the commission.

(e) Prefiled testimony shall be required in all utility rate proceedings filed according to subsection (c) of this regulation. The prefiled testimony shall be filed simultaneously with the filing of the application.

(f) Any data request issued by the technical staff shall be answered by the applicant within the time period stated on the data request. If the data request cannot be answered within the time period stated on the data request, applicant shall, before the due date, provide technical staff with a written explanation of the failure to comply.

(g) In any docket that constitutes a major rate application or that the commission determines is of sufficient public concern, one or more public information hearings may be ordered by the commission to be held in the service territory affected by the application. The order shall require publication notice of the filing of the application. The publication notice shall give a concise description of the filing and advise the public of the date and location of each public information hearing. The public information hearing shall provide an opportunity for the appli-

cant to explain its application and shall provide an opportunity for the public to address the commission concerning the application. A transcript shall be made of the public information hearing, but the transcript shall not become a part of the record in the proceeding.

(h) This regulation shall not apply to a change in rates for services by telecommunications utilities that are not subject to price regulation pursuant to K.S.A. 66-2005(v), and amendments thereto.

(i) For good cause shown, any of the requirements of this regulation may be waived by the commission. (Authorized by K.S.A. 2001 Supp. 66-106; implementing K.S.A. 2001 Supp. 66-106 and 2001 Supp. 66-117; effective Jan. 1, 1966; amended Feb. 15, 1977; amended, E-78-31, Nov. 9, 1977; amended May 1, 1978; amended, E-82-1, Jan. 21, 1981; amended May 1, 1981; amended, T-83-43, Dec. 8, 1982; amended May 1, 1983; amended May 1, 1987; amended May 1, 1988; amended July 23, 1990; amended Oct. 10, 2003.)

82-1-231a. Filing requirements for rate proceedings by rural electric distribution cooperative systems providing service to fewer than 15,000 customers. (a) In lieu of filing a rate case application according to K.A.R. 82-1-231, any rural electric distribution cooperative with memberships of fewer than 15,000 may elect to prepare a less extensive application with schedules that are more appropriate to the operations of smaller utilities.

(b) Applications and evidence.

(1) The application and schedules shall be in the form and substance permitted by the commission and shall include an electronic application as described in K.A.R. 82-1-231(c)(3). The application shall include the following:

(B) a copy of the financial statements of the rural electric distribution cooperative for a test year. These financial statements shall have been audited by an independent certified public accountant and an opinion rendered on them;

(C) a copy of the monthly REA form seven for the test year; and

(D) a copy of the most recent tariffs with penciled-in proposed changes. The test year selected by the applicant may be disapproved by the commission for cause.

(2) A rate case application shall not be considered under this regulation unless all of the following conditions are met:

(A) The commission has received written notice of the intent to file an application not less than 30 and not more than 90 days before the application filing date.

(B) The applicant has met with technical staff to inform the technical staff of the applicant's approximate revenue requirement, any proposed changes in the apportionment of the revenue requirement among rate classes, and any proposed rate design changes.

(C) The applicant has held a public meeting, for which adequate notice was given, to inform its membership of its intent to file an application and to allow its membership to comment. The applicant's public meeting notice shall include a statement of applicant's approximate rev-

(continued)

venue requirement, any proposed changes in the apportionment of the revenue requirement among rate classes, and any proposed rate design changes.

(3) Within 30 days of a third consecutive filing by an applicant under this regulation, a determination shall be made by the commission as to whether the filing may again be treated as an alternative filing under this regulation, or whether the filing warrants an extended investigation under K.A.R. 82-1-231.

(c) General procedure.

(1) The technical staff shall meet with applicant within 10 days after the application is filed to discuss the technical staff's preliminary review of the application and the appropriateness of addressing the application under this regulation.

(2) Any data request issued by the technical staff shall be answered by the applicant within seven calendar days of issuance. If the data request cannot be answered within seven calendar days, the applicant shall provide the technical staff with a written explanation of the failure to comply. The technical staff may conduct a field audit to verify any information that the technical staff considers essential to a rate proceeding.

(3) The technical staff shall complete the audit of the application and forward a written recommendation to the commission and to the applicant within 60 days after the application is filed.

(4) If the technical staff recommendation is to approve the application with modification or to deny the application, the applicant may submit written comments, which may include a request for hearing, to the commission within five days from receipt of the technical staff's recommendation.

(5) The application shall be considered by the commission within 15 days after receipt of the technical staff's recommendation. The application may be ruled upon by the commission in any of the following ways:

(A) Approved as filed;

(6)(A) If the commission approves the application pursuant to paragraph (c)5(A) or (c)5(B), an interim order seeking comment shall be issued within 25 days after receipt of the technical staff's recommendation. The interim order shall be subject to a comment period of 90 days. The applicant shall notify its membership of the interim rates, interim rate design, and the comment period within 20 days after the commission's issuance of the interim order.

(B) If at the close of the 90-day comment period, substantial comment has not been received, a final order making the temporary rates permanent shall be issued by the commission. If at the close of the 90-day comment period, substantial comment has been received, further investigation and hearing may be ordered by the commission.

(7) If the commission orders a further investigation and hearing under paragraph (c)5(C) or (c)6(B), a hearing

date and dates by which parties shall file written testimony shall be specified by the commission.

(d) Consideration of an application under this regulation may be suspended and converted to an application subject to K.A.R. 82-1-231 at any time during the proceeding and for good cause. Such a conversion may be made on the motion of the technical staff or the commission.

(e) For good cause shown, any requirements of this regulation may be waived by the commission. (Authorized by K.S.A. 2001 Supp. 66-106; implementing K.S.A. 2001 Supp. 66-106 and K.S.A. 2001 Supp. 66-117; effective May 1, 1988; amended July 23, 1990; amended Oct. 10, 2003.)

82-1-231b. Filing requirements for rate proceedings by electric, gas, water, and telecommunications utilities other than class A. (a) In lieu of filing a rate case application according to K.A.R. 82-1-231, electric, gas, water, and telecommunications utilities, other than class A, may elect to prepare a less extensive application with schedules that are more appropriate to the operations of smaller utilities, unless otherwise directed by the commission. However, a telecommunications utility that is subject to price cap regulation pursuant to K.S.A. 66-2005(b), and amendments thereto, shall not be required to file the information described in this regulation with applications requesting a change in rates pursuant to K.S.A. 66-2005 (g), (i), (j), (n), (o), (p), (r), and (s), and amendments thereto.

(b) Applications and evidence.

(3) Within 30 days after a third consecutive filing by an applicant under this regulation, a determination shall be made by the commission as to whether the filing may again be treated as an alternative filing under this regulation, or whether the filing warrants an extended investigation under K.A.R. 82-1-231.

(c) General procedure.

(1) The applicant shall meet with technical staff after the application is filed to discuss the technical staff's preliminary review of the application and the appropriateness of addressing the application under this regulation.

(3) The technical staff shall complete the audit of the application and forward a written recommendation to the commission.

(4) A copy of the technical staff's recommendation shall be provided to the applicant. If the technical staff recommendation is to approve the application with modification or to deny the application, the applicant may submit written comments, which may include a request for hearing, to the commission.

The interim order shall be subject to a comment period of 90 days. The applicant shall notify its customers of the interim rates, interim rate design, and the comment period within 20 days after the commission's issuance of the interim order.

(B) If at the close of the 90-day comment period, substantial comment has not been received, a final order making the temporary rates permanent may be issued by the commission. If at the close of the 90-day comment period, substantial comment has been received, further investigation and a hearing may be ordered by the commission.

(7) If the commission orders a further investigation and hearing under paragraph 5(C) or 6(B), a hearing date and dates by which parties shall file written testimony shall be specified by the commission.

(d) Consideration of an application under this regulation may be suspended and converted to an application subject to K.A.R. 82-1-231 at any time during the proceeding and for good cause. Such a conversion may be made on the motion of the technical staff or the commission on its own initiative.

(e) This regulation shall not apply to a change in rates for services by telecommunications utilities that are not subject to price regulation pursuant to K.S.A. 66-2005(v) and amendments thereto.

(f) For good cause shown, any requirements of this regulation may be waived by the commission. (Authorized by K.S.A. 2001 Supp. 66-106; implementing K.S.A. 2001 Supp. 66-106 and K.S.A. 2001 Supp. 66-117; effective July 23, 1990; amended Oct. 10, 2003.)

82-1-232. Orders of the commission. (a) Form and content. Unless otherwise specified, each order of the commission shall contain the following:

(1) A caption that complies with the requirements of paragraph (a)(1) of K.A.R. 82-1-219, except that the heading shall be "THE STATE CORPORATION COMMISSION OF THE STATE OF KANSAS" and shall be followed by a designation of the commissioners to whom the matter was submitted;

(2) if the order renders a final determination on a matter after hearing or prehearing conference, a recitation of the appearances, whether by attorney or pro se, and a summary of jurisdictional facts including those pertaining to the dates and places of hearings and notices;

(3) a concise and specific statement of the relevant law and basic facts that persuade the commission in arriving at its decision;

(4) the official signature of the commission, as provided in this regulation;

(5) the surnames of the commissioners who participated in the making of the order typed at the end of the order; and

(6) the date of mailing to the parties shown above the executive director's signature.

(b) Orders issued without a hearing.

(1) Non-KAPA proceeding. If the commission has not used KAPA to govern the conduct of a proceeding and a decision or order is rendered without a hearing, any party affected by the order or decision and deeming it to be improper, unreasonable, or contrary to law may apply, by petition, for a hearing on the matter before the commission. The petition shall contain a statement of every ground of objection that the petitioner will raise against the decision or order. The petition for a hearing may be granted or denied by the commission. If a hearing is granted, it shall be subject to the commission's rules and regulations. If a hearing is denied, the denial shall be construed as a denial of a petition for reconsideration on the matter for purposes of an application for judicial review of the order or decision.

(2) KAPA proceeding. (A) Orders may be issued without hearing in summary proceedings pursuant to KAPA. Any order issued in a summary proceeding shall disclose that any party may file a petition requesting a hearing within 15 days after service of an order.

(B) (i) Interim emergency orders may be issued by the commission upon its own initiative, or upon a request, if there has been a showing of good cause.

(ii) An interim order may be issued by any commissioner. All parties affected by the order shall comply, except that as soon as possible after the order is issued, the order shall be approved or revoked by a majority of the commission.

(iii) Unless a different period of time is otherwise specified by statute, an interim order shall not be effective for

(continued)

a period longer than 30 days if the matter is determined and the order is issued without a hearing on the merits.

(c) Official signature of the commission. All orders, certificates, permissions, approvals, licenses, permits, warrants, subpoenas, or any process or instrument may be officially signed with the signature of the commission by subscribing the signature of the executive director of the commission and affixing the official seal of the commission. All orders or other instruments made and issued by the commission shall be in strict conformance with the action of the commission as shown by the official written minutes of the commission and signed by at least two commissioners, with the exception of orders suspending or cancelling the authority of a motor carrier for failure to maintain proof of insurance as required by K.S.A. 66-1,128, and amendments thereto. Orders suspending or cancelling the authority of a motor carrier or reinstating the carrier for providing proof of insurance shall require the signature of one commissioner on the minutes, until signatures of the other two commissioners may be obtained.

(d) Filing, effective date. All orders of the commission shall be filed in the office of the commission in Topeka. Orders shall take effect and be in force upon service, as prescribed by K.A.R. 82-1-216, unless otherwise expressly provided in the order or by statute.

(e) Dating of orders. The date of mailing of each order of the commission shall be shown on each order by the executive director above the official signature of the commission, except that orders that are mailed from the office of the commission's conservation division shall have the date of mailing shown on each order by the administrator of the conservation division. (Authorized by and implementing K.S.A. 2001 Supp. 55-604, K.S.A. 55-704, K.S.A. 2001 Supp. 66-106; effective Jan. 1, 1966; amended Jan. 1, 1971; amended Feb. 15, 1977; amended July 23, 1990; amended March 22, 1993; amended Oct. 10, 2003.)

82-1-235. Petitions for reconsideration; compliance with orders. (a) Any party aggrieved by any order or decision of the commission may file a petition for reconsideration before the commission. All petitions for reconsideration shall be filed pursuant to the appropriate statutory provisions relating to them.

(b) If the petitioner relies on the ground that the commission, in making its determination, did not consider any of the evidence presented in the proceeding, the petition for reconsideration shall cite that portion of the transcript where the testimony appears, if the transcript is available on the date of the commission's order. The application shall specify by number the exhibits and the pertinent portion of those exhibits that is alleged not to have been considered by the commission.

(c) A party filing a petition for reconsideration shall serve a copy of the petition upon all parties to the proceeding in the manner prescribed by these regulations for the filing and service of pleadings.

(d) The burden of going forward with the evidence shall rest upon the applicant or applicants requesting reconsideration.

(e) All the evidence, rules and regulations, instruments, and other documents admitted or received in the original

hearing or subsequent hearings shall, by operation of this regulation, become a part of the record in the reconsideration, unless otherwise directed by the commission.

(f) Each party desiring reconsideration shall file a petition for reconsideration. Each party that files a petition for reconsideration shall rely solely upon its own petition. A petitioner may withdraw its petition for reconsideration at any time by motion. All parties shall be entitled to cross-examine witnesses and be heard at the hearing in which facts or issues are given reconsideration. Direct testimony may be introduced only by the petitioner. Rebuttal testimony may be introduced by any party. If two or more petitions for reconsideration are granted, at the discretion of the commission, they may be consolidated for hearing and may be heard on a common record. (Authorized by and implementing K.S.A. 2001 Supp. 55-604, K.S.A. 55-704, K.S.A. 2001 Supp. 66-106; effective Jan. 1, 1966; amended Jan. 1, 1971; amended Feb. 15, 1977; amended July 23, 1990; amended March 12, 1999; amended Oct. 10, 2003.)

82-1-237. Investigation and hearing. (a) Any public utility, common carrier, motor carrier, or any other party under the commission's jurisdiction may be investigated and hearings or show cause proceedings may be ordered by the commission at any time, upon its own motion if the commission believes that the party under its jurisdiction is in violation of law or of any order of the commission.

(b) Other investigations as are required or authorized by law may be instituted by the commission as deemed necessary.

(c) Evidence considered necessary or desirable in any formal proceeding, in addition to the evidence presented by the parties, may be secured and presented by the commission if deemed necessary. (Authorized by and implementing K.S.A. 2001 Supp. 55-604, K.S.A. 55-704, K.S.A. 2001 Supp. 66-106; effective Jan. 1, 1966; amended Feb. 15, 1977; amended July 23, 1990; amended Oct. 10, 2003.)

82-1-238. Transcripts. (a) Transcripts of all testimony and proceedings may be ordered and purchased from the commission if the reporter is employed by the commission. Otherwise transcripts may be purchased directly from the reporter. Corrections to the official transcript may be made only to make it conform to the evidence presented at the hearing. Claimed errors and suggested corrections may be offered by any party within 10 days after the transcript is filed with the commission, unless the presiding officer grants an extension. Suggested corrections shall be served in writing upon each party of record, the official reporter, and the presiding officer. The presiding officer shall then determine what changes shall be made, if any. All parties shall be advised by the commission of any authorized corrections to the record.

(b) If any order, pleading brief or other document filed with the commission makes reference to a portion of the transcript of any hearing before the commission, that citation to the transcript shall be made as follows:

(1) If the party has access to the official transcript, the citation shall contain the following:

(A) The abbreviation "Tr.";

(B) the abbreviation "Vol." followed by the appropriate volume number; and

(C) a reference to the appropriate page number or numbers in the transcript volume; or

(2) If the party does not have access to the official transcript, the citation shall contain the following:

(A) The witness name;

(B) an indication of whether the citation is to the witness's direct or rebuttal testimony; and

(C) a reference to the appropriate page number or numbers in the direct or rebuttal testimony.

(c) Citations to more than one volume of transcript or to more than one witness or speaker shall be separated by semicolons. (Authorized by and implementing K.S.A. 2001 Supp. 55-604, K.S.A. 55-704, K.S.A. 2001 Supp. 66-106; effective Feb. 15, 1977; amended May 1, 1985; amended July 23, 1990; amended Oct. 10, 2003.)
